

MICROFIBRE MOP, LOOP, 40CM

Universal microfibre mop with loops and flap. For use with the flat mop system with bucket and press from Kärcher.

Order no. 6.999-097.0

Technical data

Programme		CLASSIC
Floor type		Hard floors / Resilient floors
Floor structure		Smooth and highly structured
Dirt level		Low to middle
Textile usage		Reusable textiles
Working width	cm	40
Textile attachment		Flaps
Material		80% PET / 20% PA
Textile material		microfibre
Manufacturing type		PET-Woven carrier fabric with sewed-on loops
Textile structure		Loop pile
Washing temperature	°C	max. 90
Washing recommendation	°C	60
Dryer temperature	°C	60
Wash cycles*		approx. 300
Quantity	piece(s)	1
Packaging unit	piece(s)	25
Weight per product / Weight per m²	g	160
Dimensions (L × W)	mm	400 / 130

Application

Bucket method

For optimal moisture and a single-step wiping process, dip the mop fully into the cleaning water, allow it to absorb as much water as possible and then wring it out in the press.

Properties

- The loops are made entirely of high-quality microfibre
- Even loop distribution across the entire mop surface
- Ideal for cleaning very dirty, waterproof floor coverings
- No direct skin contact with the used cover

Washing instructions

- Do not wash with other textiles
- Do not use bleach, softener or strongly alkaline detergents
- Washing or drying at high temperatures can damage the fibres
- Thoroughly rinse the textile before washing it
- Please do not dry in the dryer

*Compliance with or use of recommended temperatures and detergents. In addition, the use of a dryer, especially at higher temperatures, may reduce the life considerably.
