Textile structure		Loop pile
Washing temperature	°C	90
Washing recommendation	°C	60
Dryer temperature	°C	60
Wash cycles*		approx. 300
Quantity	piece(s)	1
Packaging unit	piece(s)	25
Weight per product / Weight per m²	g	120
Dimensions (L × W)	mm	400 / 130

Application

Bucket method

For optimal moisture and a single-step wiping process, dip the mop fully into the cleaning water, allow it to absorb as much water as possible and then wring it out in the press.

Properties

- Carries the European Ecolabel (EU Ecolabel)
- Excellent scrubbing effect for great cleaning results
- Easy to wash out
- No direct skin contact with the used cover
- For deep cleaning smooth and lightly textured floors

Washing instructions

- Do not wash with other textiles
- Do not use bleach, softener or strongly alkaline detergents
- Washing or drying at high temperatures can damage the fibres
- Thoroughly rinse the textile before washing it
- Please do not dry in the dryer

*Compliance with or use of recommended temperatures and detergents. In addition, the use of a dryer, especially at higher temperatures, may reduce the life considerably.
