Type of dirt		Loose dirt
Quantity	piece(s)	1
Packaging unit	piece(s)	15
Weight per product	g	400
Dimensions (L × W)	mm	1200 × 130

Application

Dusting floors

Dusting floors: Move over the area in a pendulum motion, always moving the mop in the same direction.

Properties

- Very high area performance of up to 2500 m² per hour
- Good dust binding properties thanks to the open fringes in the central cleaning area
- Very good pick-up of coarse dirt courtesy of the long fringes outside
- Very easy attachment of the mop to the holder with straps
- For use with the corresponding 120 cm dust mop holder

Washing instructions

- Do not wash with other textiles
- Do not use bleach, softener or strongly alkaline detergents
- Washing or drying at high temperatures can damage the fibres
- Thoroughly rinse the textile before washing it
- Please do not dry in the dryer
