

## SB MC 2

Ideal for sites where space is limited: Our compact and individually configurable SB MC 2 self-service wash system enables a complete self-service wash in a very small space.

### 1 Compact design.

- Requires very little space, even the two-bay version.

### 2 Wash tools can be individually selected

- Can be configured to precisely match local cleaning and market requirements.

### 3 Holder for wash tools is located directly on the machine

- Safe storage of the wash tools.
- The wash bay looks tidy.

### 4 Additional wash program

- Differentiated from the competition.
- Competitive advantage and therefore higher revenue.
